

CALL FOR SPONSORS

SEPTEMBER 13 – 16, 2022

9th ELECTRONICS SYSTEM-INTEGRATION TECHNOLOGY CONFERENCE, SIBIU, ROMANIA

THE SINGLE LARGEST SEMICONDUCTOR PACKAGING CONFERENCE IN EUROPE

The Electronics System-Integration Technology Conference (ESTC) is the premier international event in the field of electronics packaging and system integration in Europe. The conference is organized every two years and is the IEEE-EPS flagship conference in Europe supported by IEEE-EPS in association with IMAPS-Europe. The 9th ESTC will take place in Sibiu, Romania. Placed in the middle of Romania, surrounded by the high Carpathian Mountains and Cibin river, Sibiu is a citadel of the European electronics industry and represents a place where culture, landscape, gastronomy, and profession merge in a friendly pleasant environment.

Save the date right now! - Read more about the conference and its history at www.estc-conference.net

The event brings together both scientific academics and industry leaders to present and discuss state-of-the-art and future trends in packaging and integration technologies. **ESTC is the perfect place for you to present your latest developments, promote your company or institution to the packaging community and get in contact with your existing and new customers and partners.**

DON'T MISS TO SPONSOR the 9th ESTC in Sibiu (Hermannstadt), Siebenbürgen, Transylvania – Home of the famous Wallachian Count Vlad III. Drăculea (“Son of the Dragon”, around 1431 – 1476), who inspired Irish author Bram Stoker to the novel “Dracula”, published in 1897 and one of the most famous pieces of English literature. Your chance to experience famous historic places.

ADDRESSABLE AUDIENCE

The conference provides your company or institution strong visibility and access to **more than 300 engineers, managers, and decision makers** from all areas of the microelectronics and system-integration industry, academics, and research institutes. These include material, equipment, software tools, design and simulation, processes and services for semiconductor assembly, interconnect, packaging, test, process control and analysis technologies as well as market research.

SUPPORTING THE EVENT

There are several ways to become a supporter of the 9th ESTC. Participation for instance as main sponsor - SILVER, GOLD, and DIAMOND Sponsorship Packages available – offers your company or institution an excellent way to significantly increase visibility and getting recognized at the event with a combination of promotional, on-site representation and content-related benefits all together in a value-priced package. **Sponsorships are the economical backbone of the conference event.** If you decide to support the 9th ESTC - The single largest Semiconductor Packaging Conference in Europe - financially, you can benefit from different incentives and active involvement in the conference program.
